'UNITED STATES OF HAMPSHIRE' PLANS

BASINGSTOKE and Deane's council leader has challenged the borough to become 'masters of our destiny' after discussions began to create a large combined authority for Hampshire.

The proposal would see more powers and funding devolved down from central government to the county council, as well as Hampshire's 11 borough and three unitary bodies.

While all of the existing councils would continue to carry out their current responsibilities, a new committee containing each of the area's council leaders would be handed control of the budget to independently subsidise transport, health and other services for different areas.

And Basingstoke and Deane's leader Clive Sanders has likened the idea to creating "the United States of Hampshire".

Cllr Sanders sought to reassure residents that the change would in no way diminish the council's importance, and said: "This is an opportunity to really make a change to how things work in local government."

"If it does go ahead, it'll make us masters of our destiny."

"It will in no way do away with the concept of Basingstoke and Deane though - if anything it'll make us stronger."

"If we can make it work, it is definitely something that is

christian@observergroup.co.uk

worth going for - it will be like the United States of Hampshire."

A letter is currently being drafted to the secretary of state for communities and local government, Greg Clark, after the plan to develop the idea was unanimously supported by each of the area's council leaders at a meeting of the Hampshire and Isle of Wight Local Government Association (HIOWLGA) on June 19.

HIOWLGA is comprised of the leaders of all 20 public service organisations in Hampshire and the Isle of Wight, including each council, Hampshire Constabulary, and Hampshire Fire and Rescue.

If the group were to proceed with the plan, Basingstoke and Deane Borough Council could take some of the county council's powers on education and transport as a result.

But the leader of Basingstoke's Labour group Gary Watts has predicted that the move could turn out to be detrimental to the borough and Hampshire as a whole.

Cllr Watts said: "We support devolution, but it should be from the bottom up, not the top down."

Basingstoke Festival delights

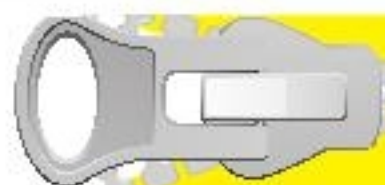

BASINGSTOKE Festival continued over the weekend with a Family Sunday event in Top of Town.

The free day of entertainment included acrobatics performed by walkabout act Molly Orange, the telling of traditional stories to children

by Scratchbuilt Productions, and street chalking.

Dancers from the Vanessa Golborn School of Dance also performed outside the Willis Museum (pictured) ahead of their Circus at the Anvil show as part of the festival this Saturday and Sunday.

Housing partnership is set up for 578 home site

By Christian Wilson

christian@observergroup.co.uk

THE first designs showing how a proposed Basingstoke site of just under 600 homes could look have been released.

A total of 275 new apartments, 247 new houses and 56 refurbished apartments are being planned for Chapel Hill – with a planning application for phase one of building set to be sent off later this year.

The release of the housing sketches comes after Sentinel Housing Association announced on Monday that they would be creating a partnership with builders Barrett David Wilson for the project in Kingsclere Road.

Basingstoke-based Sentinel purchased the unused 25.6 acre site in 2012, before

being granted outline planning permission last year after an extensive consultation with local residents and the town's councillors.

Sentinel Housing chief executive Mark Perry said: "This is a great step forward for us as it is our first large development through a joint venture agreement that sees each partner using its strength in new home development."

"This new partnership will

bring a new home to nearly 600 local families.

"It's a great opportunity and we're proud to be making a difference."

The development is in line with the government's strategy to provide a solution to the nationwide housing crisis by building homes on existing brownfield sites.

Barratt David Wilson director Ian Menham said: "We're

delighted to be involved in this exciting project and to have the opportunity to work with Sentinel, local councillors and the local community to help deliver high quality affordable new homes for local people in Basingstoke."

He continued: "We look forward to taking this development further and creating a fantastic place to live which will enhance the local area for years to come."

• Artist's impressions of how the proposed site on Chapel Hill will look (pictures courtesy of Sentinel)

Combined authority plan put forward

• From front page

Cllr Watts added: "This is a desperate attempt by Hampshire County Council to sustain itself in the face of other proposals for more logical devolved systems of local government, another tier of bureaucracy."

"We are poorly served by the county council in Basingstoke – all we get from them is cuts to budgets."

"The days of the county are numbered."

Cllr Sanders was quick to point out that the proposal was still in its very early stages – claiming that any actual implementation would be years away.

He added: "I don't want people to think that this will be the end of the world as we know it, because it won't be."

"But I want to assure people that we're years away from anything happening at the moment – we haven't signed up for anything yet."

Road exhibitions

BASINGSTOKE: Hampshire County Council will hold three different public exhibitions over the next eight days across Basingstoke to showcase a £24million plan to improve transport in the area.

Improvements will take up to three years to complete, with plans for alterations to the A340 Thornycroft Roundabout, A30 Winchester Roundabout, A340 Aldermaston Road and A33 Popley Way set to be discussed.

Details to changes to road layouts at the A33 Crockford Roundabout, the A339 Ringway Junction, A33 Binfields Roundabout and A33 Taylors Farm Roundabout will also be on show.

The first exhibition will take place at Popley Fields Community Centre tomorrow from 2.30pm to 5.30pm.

Basingstoke Baptist Church in Gershwin Road will host a public meeting next Wednesday, before the final exhibition at Everest Community Academy in Oxford Way the following day.

Plans will also be available online from tomorrow at hants.gov.uk/transport-schemes-basingstoke.

Black Dam

BASINGSTOKE: Highways England has confirmed that work on the new "hamburger" style Black Dam roundabout is expected to be completed by November.

Work on the M3 Junction 6 roundabout started last October, with Basingstoke MP Maria Miller meeting members of Highways England on Monday to discuss the delay in completion of the £10 million infrastructure project.

Mrs Miller said: "The roadworks at Black Dam are causing considerable delay for local residents and businesses."

She added: "We need the works to be completed as soon as possible."

'My brother should've received more help'

THE sister of a Basingstoke man who committed suicide by inhaling gas has accused the system of failing him, an inquest has heard.

Neil Pearson, 48, was found dead at his home in Coronation Road on April 27 after receiving treatment for depression for several years.

North East Hampshire coroner Andrew Bradley found that Mr Pearson's death had come as a result of suicide from asphyxiation during his verdict.

Staff from North Hampshire's community mental health team revealed at the inquest that Mr Pearson had claimed to have bought the equipment needed to kill himself, with sister Lucy Pearson criticising the service for not intervening.

Ms Pearson said: "I feel that the system failed him."

"I'm sorry, but buying equipment to kill yourself shows a lot of intent to me."

"I'm not looking to blame anyone - he made his own decision and took his own life - but I feel he should have got more help."

Mr Bradley was referred to the community mental health team at the Bridge Centre in New Road during September 2014, with staff attributing his depression to dependant per-

sonality disorder - a condition characterised by a fear of abandonment and separation.

As well as regular counselling, he also received cognitive analytic therapy.

Consultant psychiatrist Dr Janet Chiu said: "Being on his own seemed to be a big source of stress to Mr Pearson, so he regularly went on dates to ensure that he wasn't, in his words, 'lost, scared and alone'."

"There were a lot of fluctuations in his mood and he got angry that the treatment wasn't getting to the root of his issues."

"He claimed to have bought the equipment to kill himself but these claims were always inconsistent with his behaviour."

Speaking at Monday's inquest at Basingstoke Law Courts in London Road, Mr Bradley said: "It seems that while Mr Pearson was at times receptive to treatment, it ultimately didn't solve his problems."

"He was angry that nobody had come to grips with what was wrong with him, but I just can't see what else could've been done to help."

The inquest at the Basingstoke Law Courts found that Neil Pearson's death was due to asphyxiation from inhaling gas

Death of Basingstoke man ruled an 'appalling accident' by coroner

A CORONER has ruled out foul play after a Basingstoke man was found dead in his flat - instead labelling the incident as an "appalling and tragic accident".

Family members discovered Christopher Poole covered in blood at his home in Berwyn Close on April 25, with the 40-year-old having suffered a fatal blow to his head.

Paramedics initially thought that Mr Poole, who had a history of suffering epileptic fits, had died from

internal bleeding to the abdomen.

But North East Hampshire coroner Andrew Bradley identified blunt head trauma as the cause after Mr Poole was found with a completely fractured nose and other facial injuries after his head impacted with an unknown solid object.

Speaking at Monday's inquest, he said: "You always have to be suspicious of cases such as this, but whatever happened to Chris, I don't believe anyone else was involved."

"It was just an appalling and tragic accident and we just don't know what happened, so we must settle on this verdict."

PC Chris Pike added: "There was blood everywhere on his person, in several rooms and all over the walls."

"You could immediately see that life was extinct, and the investigating detective constable confirmed that it was being treated as a non-suspicious death."

Big Wheel 23

BASINGSTOKE: Registration has opened for the 23rd annual Big Wheel charity bike ride across the countryside of North Hampshire.

The family event will take place at 9am on Sunday, July 26, with riders starting at Down Grange Sports Complex in Basingstoke, and being given the choice of taking on either the five-mile, 18-mile, 31-mile and 63-mile routes.

Money raised will go to local charity St Michael's Hospice.

Car chase

BASINGSTOKE: Five people from Basingstoke have been arrested after police chased a stolen car on Friday.

A police helicopter also tracked the vehicle, which was stolen from a house in The Berg Estate some time between 6.45am and 10.55am that morning.

The suspects were eventually apprehended at Midday after the car crashed into a tree in Malory Road in Popley.

Street robbery

BASINGSTOKE: An 18-year-old was forced to hand over cash after being threatened by a gang of thieves in broad daylight.

Around £15 was taken from the victim's wallet as he made his way along Thornycroft Lane at around 8.50am last Thursday, with four or five males forcing him to hand over belongings.

Anyone with information is asked to contact police on 101.

Young free runner on the big screen

A 12-YEAR-OLD Basingstoke free runner has been selected to appear in a major Hollywood movie.

Max Webb is currently filming scenes for the upcoming blockbuster as the stunt double of the title's leading character – with the film's identity currently shrouded in secrecy.

The young athlete caught the eye of filmmakers while showcasing his spectacular talent at Basingstoke-based free running club 3Run.

Max has emerged as one of coach Joe Scandrett's star pupils since joining the club around a year ago, with the trainer expressing his belief that the youngster is destined for great things.

"I think it's amazing, but I'm not surprised because he is an extremely talented young lad," said Joe.

"He's got much natural ability and has crazy skills that others would take years to perfect."

Max, who is from Headington in Oxford, has to wear a motion-capture suit while filming some scenes on set in London – an experience the kid dubbed 'Spider-Max' has labelled as "one of the highlights of my life".

He said: "It's so fun and I can't believe that I'm doing it."

"It's one of the highlights of my life so far and my friends are all really happy for me and keep asking me lots of questions about it."

Teenager arrested after church arson

A TEENAGE boy arrested on suspicion of setting fire to a Fleet church grew up in Basingstoke – police have revealed.

Firefighters took around three hours to put out the flames as the roof of All Saints Church was completely destroyed.

The unnamed 16-year-old – who now lives in Fleet – was charged with arson and recklessly endangering life for the incident on Monday, June 22.

By Christian Wilson

christian@taylornewspapers.co.uk

Hampshire Constabulary revealed that the boy had also been arrested for a separate incident of arson at the church just under a week earlier on Tuesday, June 16.

He was arrested on Tuesday, June 22 and appeared at Basingstoke Magistrates Remand

Court last Thursday, with the case referred to Winchester Crown Court for July 22.

Nobody was hurt as a result of the blaze, which started at around 5.30pm.

Sergeant Rob Wallis from the Fleet Neighbour Policing Team said: "The fire has completely destroyed the church and has understandably caused concern within the local community."

"Our officers are in the area providing reassurance to local churches and the community."

A 17-year-old boy from Fleet was also arrested for his part in the incident and has since been bailed until August 27.

Several original stained glass

windows were destroyed by the fire at the Grade II listed church in Church Road, which is almost 200 years old.

North East Hampshire MP Ranil Jayawardena said: "It was a beautiful church that had stood proud in Fleet for almost 200 years, so for a fire to destroy so much of it is a tragedy."

"I'm sure everyone is thankful to Hampshire police for working hard to catch the persons responsible and bring them to justice."

Anyone with information is asked to contact PC Marc Oliver from Northern Investigation Team on 101 quoting reference 44150212094.

Police called

BASINGSTOKE: Hampshire Constabulary officers were called to an address in Shakespeare Road in Basingstoke last Thursday after a disturbance was reported.

Officers arrived at around 12.45pm, where they then negotiated with a man who was described as being in a "vulnerable condition" for a number of hours – before eventually convincing him to leave the address.

He has since been safely detained under the Mental Health Act, with police confirming there is no wider risk to the community and that nobody was injured as a result of the incident.

Inclusion zone

BASINGSTOKE: Basingstoke MP Maria Miller has expressed her delight after the Basingstoke Sports Trust became a part of the Basingstoke Inclusion Zone (BIZ) last Thursday. BIZ is a project aimed at recognising employers' positive approach to employing disabled people.

The MP said: "We need local employers to assess people's capabilities based on what they can do, not what they can't."

Car stolen in Popley burglary

THREE people from Basingstoke have been arrested after a car was stolen following a burglary in Popley last week.

A wallet and car keys were stolen from the property – with thieves then making off with a silver Vauxhall Zafira that was parked outside.

The car was later found abandoned in Basingstoke, with two men, aged 20 and 26, and a 17-year-old girl all subsequently arrested on suspicion of burglary.

All three suspects are from Basingstoke and have been bailed until July 9, pending further investigation.

Offenders gained access to the house in Fountains Close through the front door at around 11.15pm last Wednesday night.

Police are now appealing to any members of the public who saw the burglary take place or know any more information about the case to come forward.

PC Dave Sacree from the Northern Investigation Team said: "This burglary happened overnight and I am keen to speak to anyone who might have seen anything unusual in the area or who might have seen the car driving around."

Anyone with any information is asked to contact PC Dave Sacree at Northern Investigation Team on 101, quoting reference number 44150215057.

Basingstoke beauty targets Miss England

MISS Basingstoke will go head to head with other beauty queens from across the country on Sunday in her bid to be crowned Miss England.

Nicola Ascroft is among 66 girls who will be competing at the semi-final stage of the national competition, where she is hoping to be among 10 selected for the grand final.

The 21-year-old will have to prove that she is deserving of a place by impressing in nine different rounds by showcasing a different range of talents.

Nicola qualified for Miss England after placing first in Miss Hampshire 2015 in March, with the Everest Park-based beauty fighting the nerves ahead of the showpiece semi-final.

She said: "It would mean so much to get through and I will try my absolute hardest to get there, but at the moment it's anyone's game."

"I'm one of those people that wants everything to be right and perfect, so I'm travelling down a day early just to make sure I'm fully prepared."

Each girl will try to sway the judges in their favour at the Kelham Hall and Country Park in Nottinghamshire by making their own dress, attracting public support and through their independent charity work,

By Christian Wilson

christian@observergroup.co.uk

among other factors.

Nicola is currently leading the public text vote – "My mum's phone bill must be sky high by now!" – which would automatically see her through to the final on August 14.

But it is on the charity round that Miss Basingstoke is most anxious to do well – having raised over £3,500 for humanitarian charity Beauty with a Purpose through a series of fundraising activities over the past year.

Nicola added: "I've tried really hard in every category, rather than just focusing on one, and hopefully the judges will see that."

"I'm really passionate about raising money for charity and volunteer on a weekly basis at the Naomi House charity shop in Chineham."

"It feels great to represent Basingstoke and I'm still surprised by all the support I've received – I can't quite put it into words."

Residents can vote for Nicola up until the day of the show by texting MISS SEMI55 to 63333, with each text costing 50p.

AS awareness

BASINGSTOKE: A renowned endurance athlete took time out from a 5,000 mile bike tour on Monday evening to give an inspirational talk at Basingstoke and North Hampshire Hospital.

Helgi Olafson is currently taking part in the Pedal to the Medal cycle challenge across Europe to raise awareness of ankylosing spondylitis (AS) – a condition he suffers from.

AS is a degenerative condition with no known cure that causes severe pain in the back, and in some cases can cause the spine to fuse together.

Image released

BASINGSTOKE: An image of a man wanted by police in connection with a sexual assault in Basingstoke has been released.

The incident occurred between 10.45pm and 11pm on February 6 in the Paddock Road area of South Ham.

The man was described as being white with darker skin and over 60-years-old, while he also had a thick grey moustache and short, grey scruffy hair.

Population rise

BASINGSTOKE: New figures have revealed the population of Basingstoke has risen by over 1,000 people in the last year.

Figures released by the Office for National Statistics last Thursday show 172,870 people were registered as living in the area in 2014 – a 0.59 per cent increase from 171,852 in 2013.

The figures also revealed a drop in the number of people born in Basingstoke from 2,285 to 2,112 and a slight increase in the amount of people who had died from 1,201 to 1,216.

Sentinel support

BASINGSTOKE: Basingstoke-based housing association Sentinel has launched a £40,000 grant project.

Local groups can apply for up to £10,000 from the 'making it happen fund' from today until August 31 at sentinelha.org.uk.

Lottery numbers

BASINGSTOKE AND DEANE: St Michael's Hospice has announced the winners of its latest lottery draw from Friday, June 26.

First prize of £1,000 goes to ticket 79806 of Upton Grey, while ticket 32900 of Cricklewood claims second prize of £100.

Third prize of £50 goes to Popley ticket 62605, and Whitchurch ticket 79391 gets fourth prize of £20.

Prizes of £5 go to tickets 00970, 08365, 19819, 22647, 28347, 34590, 37992, 39883, 43208, 48255, 51523, 65304, 66695, 67955, 80071 and 81434.

Council upbeat despite missing financial targets

THE new cabinet for Basingstoke's council met for the first time since the elections last week.

Issues relating to the budget, land ownership and housing allocation were all addressed at the meeting.

Basingstoke and Deane Borough Council's treasury was found to have generated net interest and investment income of £3.088million for the year – a 0.38 per cent shortfall on their £3.5m target.

The end of year report also revealed a net surplus of £1.36m for 2014/15, with the £40m budget being balanced out by reduced

expenditure and income spending elsewhere.

The council's portfolio holder for finance and resources, John Izett, put the results down to falling interest rates and a drop in central government funding.

Cllr Izett said: "It's incredibly difficult to forecast where gilt returns are going to be, so overall I would commend the budget outturn."

"This is an on-going challenge for us as a borough that we are

facing because of the reduce in government funding, and that isn't going to change anytime soon."

Council leader Clive Sanders, who was chairing the cabinet meeting, also chose to see the positives of the findings.

He said: "I've always had a view that we ought to get better in our budgeting in the way that we manage our funds and there's always room for improvement."

"But each year, we are getting better at doing it."

The meeting took place at the council's offices in London Road last Tuesday, with Cllrs Sanders and Izett joined by fellow cabinet members Terri Reid, Cathy Osselton, Mark Ruffell, Hayley Eachus and new member Robert Tate.

Councillors also unanimously sanctioned the handing over of land just off Aldermaston Road to improve the development of the A340, and approved a change to the borough's housing waiting list policy.

The alteration to the allocation of homes means that people now do not have to prove that they have a 'local connection' to Basingstoke to apply, following a new government law enforced in April.

• Council leader Clive Sanders and fellow cabinet member Cllr John Izett saw the positives in the financial report

Councillor's Corner

Cllr Gavin James

Liberal Democrat councillor for Eastrop

'When do the Tories plan to apologise?'

THE consultation on the local plan has closed and will now be put before a planning inspector in the Autumn, five years behind schedule.

Listening to comments from residents and groups, one concern is shared by all - infrastructure.

What do we need to cope with a growing and ageing population and who will pay for it to be delivered?

You can't plan which roads need widening, roundabouts upgrading and new schools placing until you know where you are building homes.

We should have spent the last five years making sure infrastructure solutions were in place. Instead we've still been talking about housing numbers and where to put them.

This failure has to rest with the Conservatives.

They denied Manydown was an option, then ignored the evidence behind the housing need, making short-term political gain a priority over the long term prosperity and wellbeing of our borough.

Only the Liberal Democrats share concerns of residents.

We've consistently supported housing numbers based on evidence and supported those wanting the chance to grow old in the same village they grew up in.

And that Manydown was part of the solution for Basingstoke.

Had the Tories listened five years ago, I would be confident about infrastructure - they didn't, I'm not.

The price of this failure will be paid by you every time you're stuck in traffic or driving past two local schools to get to one with a space.

UK WATER SOFTENERS

Established 20 years

Hard water is something we are all used to in Hampshire, although most of us have got used to putting up with it, many do not realise that you can do something about it. It furs up our heating systems, causing breakdowns, makes it more expensive to heat our homes and damages our appliances.

The other problem with limescale is the constant cleaning of showerheads, shower screens, stainless steel sinks, the whole house can suffer where hard water is concerned. Limescale aggravates skin problems such as eczema and psoriasis.

With a water softener no limescale will get into the house, which means you will have to do less cleaning, stop buying limescale related products, cut washing powder use by up to 75% and have less chance of large bills for potential future problems with your heating system and appliance breakdowns. If you were to purchase an ordinary softener you would have quite a large machine, which requires you to set clocks and lug around a 25kg bag of salt. The

TwinTec S3 is different. It is small, requires no electricity and uses block salt (like two house bricks) instead of heavy 25kg bags.

Harvey Softeners has been manufacturing softeners in this area for more than 35 years. Kevin Goody (UK Water Softeners) is one of Harvey's top TwinTec dealers and was voted number two in the country last year.

Why is Kevin so successful?

He puts it down to extensive marketing, having a great plumber with over 30 years of experience installing water softeners, good customer satisfaction and recommendations. Kevin has installed 4800 water softeners in homes in this area over the last twenty years and arranges everything from initial survey to installation.

Kevin Goody also welcomes trade enquiries.

We also service & repair Kinetico Water Softeners.

OCT will give accurate diagnosis:

- AMD
- Diabetic Maculopathy
- Macular Hole
- Epiretinal Membrane
- Early detection of Glaucoma

*It is estimated that approximately 2% of people over the age of 40 will have Glaucoma.

*Statistics obtained from The International Glaucoma Association.

What is an OCT scan?

This practice has invested in the very latest OCT scanning technology.

An Optical Coherence Tomography (OCT) scan is a unique test which uses near-infrared light reflected off the retina to produce a high resolution 3-Dimensional scan of the retina and associated structures.

It is particularly useful in the assessment of patients with AMD, Diabetic Maculopathy, early detection of Glaucoma and the management of these diseases. The test is non invasive, quick and entirely painless.

Am I at risk of Glaucoma?

Are you over 40?
Do you have a family history of Glaucoma?
Are you short sighted?
Do you have diabetes?
Are you of African-Caribbean origin?

If the answer is yes to any of these questions, then you are at an increased risk and should definitely have your eyes tested regularly.*

Why has this practice invested in OCT?

We believe this advanced imagery allows us to detect and monitor early stages of diseases and as this examination is not available under the NHS, we make an additional charge for this scan. Please ask for further details.

This assessment of your eyes using OCT Technology will give us the most accurate diagnosis possible and help us give you the best advice to protect your sight and the health of your eyes.

Your eyes deserve the benefits of cutting edge technology available at this practice.

Drama rehearsal

BASINGSTOKE: Two Basingstoke theatre groups have been granted use of an unused Top of Town building for rehearsal space for the next year.

The proposal to grant Basingstoke Amateur Theatrical Society (BATS) and BATS Next Generation (BNG) use of two floors at the Market Chambers' building in Church Street was unanimously approved by Basingstoke and Deane Borough Council's cabinet.

The newly formed cabinet made the decision at a meeting on Tuesday, June 23, with the groups agreeing to pay £6,000 a year for the space.

Cider festival

BASINGSTOKE: A 17-day cider festival will take place across Basingstoke later this month.

The Maidenhead Inn in Winchester Street and Lloyds No.1 Bar in Festival Place will offer a selection of 20 different ciders from Friday, July 10, until Sunday, July 26, as part of the event.

Coinciding with the Basingstoke festival, cider drinkers will be able to sample each of the alcoholic beverages for £2.45 a pint during the 17-day period.

New shop opens

BASINGSTOKE: Kitchen supplier Benchmark Kitchens and Joinery opened its first store in Basingstoke on Monday.

The new shop and showroom in Worthing Road is aiming to raise £3million in the next three years for cancer charity Macmillan by raising money through donations for kitchen deliveries.

Students battle it out for MasterChef crown

COOKING students from a Basingstoke college will go head to head in a MasterChef style competition tomorrow to see who is the best young chef in town.

Two pupils from Basingstoke College of Technology (BCoT) have their recipes at the ready for the charity cook-off final.

Challengers Kennedy Abbott and Steven Naylor will prepare

a two-course meal for around 20 guests in a bid to impress tournament judge Gordon Stott – the landlord and head chef at Dummer pub The Sun Inn.

Mr Stott became one of the

youngest people in the country to hold the dual position of landlord and head chef when he joined the Dummer pub in 2010 at the age of 20.

And the 24-year-old has expressed his hope that the contest will unearth some more young talent in the area.

He said: "It's not easy for young people leaving college to find a stable career.

"Having been there myself, I want to show young chefs that with self-belief, hard work and determination, they

can achieve great things."

Kennedy and Steven are both studying the City and Guilds level three diploma in food preparation and cooking.

As part of the final, diners will pay each chef what they think their meal is worth, with all the money raised going to Hampshire homeless charity The Society of St James.

The winner will be crowned The Sun Inn MasterChef 2015, and will pick up a top of the range chef's knife set from

Nisbets and earn a meal for two at a Michelin-starred restaurant.

BCoT head of catering Duncan Brammell said: "The Sun Inn MasterChef competition will provide our learners with the opportunity to show off their culinary skills, so the heat will definitely be on in our kitchens.

"Hopefully this will provide a valuable springboard for students as they progress from college into work and full time employment."

• The competition will be judged by The Sun Inn landlord and head chef Gordon Stott

Child sex offence rate on the rise

NEWLY released figures have revealed a 13 per cent rise in sexual offences committed against children in Hampshire during the last year.

The statistics show police investigated 1,033 cases across the county during 2014 – with 101 victims aged five years old or younger.

This total was 118 more than the 915 reported in the year previously, and showed 861 were against girls and 172 against boys.

Police from across the country released the findings after

being approached by children's charity the NSPCC under the freedom of information act as part of their annual 'How Safe Are Our Children?' report.

NSPCC CEO Peter Wanless said: "These figures are disturbing and clearly illustrate child sexual abuse is a continuing and widespread problem that needs urgent action.

"But we know this is still only a fraction of the true number of victims because some endure an agonising wait of many years before telling anyone – and others never reveal what has hap-

pened to them."

The figures were revealed on Wednesday, June 17.

The head of Hampshire Constabulary's Public Protection Department urged more victims to come forward.

Superintendent Rachel Bacon said: "Child sexual abuse is a horrific crime that is still all too often unreported.

"We recognise victims need support and the confidence to come forward, and so I hope that today's figures reflect that this is beginning to happen more often."

Basingstoke man targeted in day-time robbery

A 20-YEAR-OLD man was robbed in broad daylight after being targeted by two men in Oakridge.

The suspects approached the unnamed victim aggressively before forcing him to turn out his pockets.

They stole a pair of sunglasses, valued at £5, before the man managed to escape.

He suffered some reddening to his face during the attack but is understood to have otherwise been uninjured.

The robbery occurred at around 4.15pm on Monday, June 22, on a grassed area of Vivian Road, near Oakridge Towers.

Both men are understood to be white and around 5ft 8ins tall, with one bald and of average build and the other described as skinny with curly brown hair.

One was wearing a white t-shirt and grey jogging bottoms with a blue stripe up the side, while the second man was wearing blue, baggy jeans and a dark blue jumper.

Police are appealing for anyone who witnessed the robbery, was in the area at the time, or recognises the description of the suspects to come forward.

Anyone with information should call PC Simon Merritt at Basingstoke police station on 101.

Boarding school's £5million lodgings

By Christian Wilson

christian@observergroup.co.uk

A £5MILLION development at a boarding school near Hook has been given the green light by Basingstoke's council.

The project will see 120 double bedrooms and four pupil common rooms built in the grounds of independent Sherfield School. Flats for staff and tutors will also be created as part of the project.

Contractors BAM Design released detailed plans last week of how the development would look when completed.

Basingstoke and Deane Borough Council accepted a joint application from architect company The Landscape Partnership, ecologists PJC Consultancy and BAM Design for the project on May 22.

Design director Steve Lough said: "We are delighted to get planning consent on such a challenging site."

"The team have had to work very hard because the site is of local landscape significance within the grounds of the Grade II-listed historic house in the Sherfield on Loddon Conservation Area."

The two L-shaped buildings

• Designs have been released showing how the proposed buildings will look (Image courtesy of BAM Design)

are to be located in a clearing within a wooded part of the school's site in Sherfield-on-Loddon and will be connected to the main school by a series of woodland footpaths.

Sherfield School is an independent day and boarding school that educates around 600 children aged between three

months and 18 years old.

Headmaster Dick Jaine said: "I am delighted that there has been a such a significant growth in the school's sixth form as the international market has discovered Sherfield School and this wonderful part of the country."

"This, combined with an

increase in flexi-boarding has resulted in us outgrowing our current boarding house."

"These are exciting times to be a part of Sherfield School."

Construction on the project is set to start in August.

Building work is due to be completed by the end of April next year.

New hospice CEO

HAMPSHIRE: Sutton Scotney-based charity Naomi House and Jackspace have announced the appointment of a new chief executive.

Current chief operating officer Mark Smith moved up into the new role at the children's hospice on Monday, June 22.

He has replaced former CEO Chris Robinson, who has accepted a permanent role with Chelsea Football Club.

Strange plants fair

ALTON: Plant lovers came from all over the country to take part in the 22nd annual Unusual Plants Fair at the Gilbert White and the Oates Collections in Alton on Father's Day weekend.

A string of stalls lined the event in The Wakes, Selborne, on Saturday, June 20, before visitors were invited to an evening of roses, drinks and music later that day.

People were also treated to some of the strangest and rarest plants on display anywhere in the country the following day.

Local plan backed

BASINGSTOKE AND DEANE: Basingstoke MP Maria Miller has given her support to the draft local plan after the end of a public consultation on June 22.

The changes by Basingstoke and Deane Borough Council to the housing plan would see 850 homes built a year.

Mrs Miller said: "We need to get the local plan in place as soon as practicable to protect communities against speculative planning applications by developers."

stop schedule includes more than 20 sensational showdowns – all featuring packed 50-car grids loaded with legendary GT, sports, saloon and F1 cars from past generations.

The sensational racing, though, is just part of the full story. A record number of 100+ motor clubs will be displaying in excess of 10,000 classic cars on the in-field area – many also providing sparkling track parades to mark their own motoring milestones.

Tickets (which must be purchased in advance) not only provide free access to all the race paddocks and displays but also free seating in track-side grandstands plus free admission to the Classic's renowned live music concerts.

In celebration of this year's Silver Jubilee, rock legends Status Quo are

headlining on Saturday evening with chart-topper Paul Young topping Friday night's bill.

For more information and full ticket details visit the official www.silverstoneclassic.com website.

However, to enter our great competition to win 'Super Sunday' tickets to this summer's landmark festival, simply answer the question below:

Sudoku

The objective is to fill a 9×9 grid with digits so that each column, each row, and each of the nine 3×3 sub-grids that compose the grid (also called "boxes", "blocks", "regions", or "sub-squares") contains all of the digits from 1 to 9. The puzzle setter provides a partially completed grid, which for a well-posed puzzle has a unique solution.

Fastfit Service Centre is located at Unit One, Moniton Trading Estate in West Ham Lane.

And the independent automotive specialist is proud to be expanding in a bid to give its customers exactly what they want. "Everything your car needs is here under one roof", explained manager Byron Lewis who, like his team of experts, has spent a lifetime in the automotive industry.

He added: At Fastfit we offer hourly rates which are some of the best in Basingstoke. No job is beyond us and we are quite simply a one-stop shop and more besides. Whether it's an entire engine

overhaul or just tweaking the brakes, we will do it, and do it well."

The business is continually expanding and includes a new mobile tyre fitting and home start service. A comprehensive diagnostic service can also be provided and the business issues many dealer level tools ranging from Ford, Jaguar to Land Rover and Volkswagen.

Fastfit offers everything from MOTs and minor servicing to major repairs and complex engine work.

More complex issues include an Engine Control Unit (ECU) remapping service which makes the vehicle more

responsive and smoother to driver. In these tough time, it also slightly increases the miles-per-gallon!

Fastfit Service Centre also stocks a range of budget or performance tyres and it can also custom build stainless steel exhaust systems.

"Come and give us a try. You won't be disappointed," concluded Byron.

What our customers think

Mycar had been taken to three different repair centres which was suffering from low power none of them diagnosed the problem. I took it to these guys for a remap and full exhaust in the hopes it would fix it. It was better but Byron still thought it wasn't right so spent another couple of hours diagnosing it!

He didn't charge me extra and even finished after they should of closed. You just don't get that kind of service these days. Amazing!
Cheers, Clive Baldwin

Excellent service! Very polite and great value for money prices! I will recommend to friends and family. If you need your car repaired at the right price don't look any further.

Great service from the whole of the Fast Fit team. They know what they are talking about and are happy to help with any query.

I wanted something activated on my car that had not been done

at the factory. A dealer wanted upwards of £100 to do the job, I contacted Fast Fit and they have the same Dealer Software. Done the job quick and for a third of the price! These guys definitely know what they're talking about and I would recommend them to anyone!

Mexican twist to classical works

THE well-respected and popular Orquesta Filarmonica de Mexico UNAM will bring their classic sounds to The Anvil on Wednesday, July 8.

In a jam-packed two hours at the Churchill Way venue, audience members will get to hear well-known pieces of classical music from George Gershwin, Vaughan Williams and Gustav Holst, with a hint of central American spice thrown in as well.

"Having visited Mexico City and worked with the orchestra earlier this year, I think that the audience can expect a very exciting evening," violinist Tasmin Little told the Observer.

"I think that the audience will very much appreciate the commitment and excitement of music making - the spontaneity and joy of expression is one of the reasons why I enjoyed playing with the orchestra."

across the UK, the orchestra includes Jorge Federico Osorio on the piano, Tasmin Little on the violin, Rodrigo Garibay on the tenor saxophone and Jan Latham Koenig as conductor.

Next Wednesday's event is also part of this year's Mexico-UK Year of Culture, which was created by both countries' governments to promote a better understanding between the two societies.

Tasmin added: "This year there is a lovely cultural exchange between UK and Mexico and I was invited to Mexico City as a part of that cultural collaboration."

She continued: "The orchestra was interested in hearing me play some British music but we also played a fiery showpiece by Joseph-Maurice Ravel.

"We play with huge passion and commitment and maestro Latham Koenig is a wonderful conductor.

"I love the programme, too - something for everyone!

"Also, I think that everyone will know the famous piece by Vaughan Williams that I will be playing, called The Lark Ascending.

"It is a work that is often top of the charts and people love the serenity of the work."

And the violist revealed her greatest pleasure of being part of a very popular orchestra.

"I love playing with orchestras because there is such a variety of sound available," Tasmin said.

"Every instrument has its own personality and that is why composers have always enjoyed writing for the full forces of an orchestra."

Tickets cost from £6, with the performance starting at 7.45pm.

Tale of two orphans

THE young performers of Basingstoke Youth Theatre will bring Jamila Gavin's children's novel 'Coram Boy' to life at The Haymarket on Thursday, July 9.

Set in 18th century England, 'Coram Boy' focuses on the two cities of Gloucester and London, where abandoned babies are taken to the London Foundling Hospital, which was created by philanthropist Captain Thomas Coram.

But when a deceitful man agrees to collect deserted children across the country and promises to deliver them safely to the Coram Hospital for a fee, they never arrive.

The play focuses on two orphans at the hospital on their journey to adulthood, and is a collaboration between the youth theatre, Anvil Arts and the Proteus Theatre Company.

Associate director and deputy chief executive at Basingstoke-based Proteus, Ross Harvie, hoping that the play will leave its mark on the audience.

"Prepare to get lost in the action of this gritty and fast-paced production full of colour, choral music, emotive dialogue and even puppetry," Ross told the Observer.

"Audiences cannot fail to be moved by the harrowing true stories of those who grew up within the confines of the Coram

By James Richings

jamesr@taylornewspapers.co.uk

Hospital for Foundling children, told by young people of the very same age from across the borough."

When Jamila Gavin's book was published back in 2000, the novel became a big hit with bookworms, where it won the Whitbread Children's Book Award 15 years ago.

Five years later in 2005, playwright Helen Edmundson created a stage version of the popular book, which was nominated for six Tony Awards back in 2007.

"Directing is a collaborative process between all those present in the rehearsal room and there is nothing more valuable than the journey you go on together," Ross said.

"The work never stops developing as from opening night, your audience becomes part of this process too."

He added: "What is really interesting is that despite the play being set in a chapter of social history, many of the issues raised and addressed by the piece are still common-place and relevant today."

"Our young people can really relate

to the characters within the play, which brings an added dimension of authenticity to the performance."

Tickets for the show cost from £7 to £9 with the production starting at 7.30pm.

Phoenix film

THE Phoenix Theatre and Arts Centre in Bordon will show this year's blockbuster 'The Second Best Exotic Marigold Hotel' on Tuesday, July 7.

The movie, which stars Judi Dench, Maggie Smith, Bill Nighy and Dev Patel, sees how Muriel Donnelly (Smith) and Sonny Kapoor (Patel) visit America to see hotel magnate Ty Burley (David Strathairn) about opening a new hotel in India.

It starts at 2.30pm.

Proteus play

'COME With Me if you Want to Live' will be performed at the Proteus Creation Space on Friday, July 10.

When everyday people find themselves in the middle of an apocalypse, they must do everything to survive.

Two shows will take place on the night at 9.30pm and 11pm.

Greece to space

PERFORMING arts students from the Basingstoke Academy of Dancing will show Hampshire their talent at The Haymarket tomorrow evening.

Called 'Moving Experience 2015', the students theme this year is musical theatre from Ancient Greece through to space.

The show starts at 7.30pm.

PHILHARMONIA ORCHESTRA

"Sibelius' Karelia Suite was one of his first great successes, using music written for a patriotic pageant in a region of Finland close to the Russian border. Glazunov's passionately lyrical and undervalued Violin Concerto dates from 1904, a period when the composer was at the height of his creative powers. Sibelius' second symphony was written largely in Italy and inhabits a very different musical world from the northern darkness of his first. The sense of renewal

and exploration continues through its four movements before building inexorably to the final thrilling brass theme. <http://www.anvilarts.org.uk/>

Galleon Marine

The place to have fun on the water!

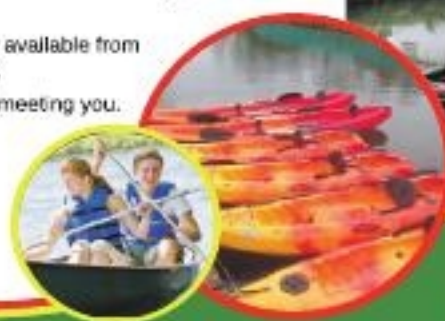

Some people are unaware that the beautiful Basingstoke Canal runs through Odiham, not more than 1/2km from the high street!

Many local people are involved in the preservation of the canal to ensure it remains a great place to visit.

Galleon Marine, which is under new ownership, is a perfect base from which to explore by narrowboat, rowboat, kayak, canoe or foot. Please feel free to come and look around, have a picnic in our colourful garden and enjoy the view. We are opposite the Waterwitch Pub

Tea and coffee now available from our canal-side kiosk.

We look forward to meeting you. *Karen & Arthur*

Family favourite gets an upgrade

FORD Galaxy is getting a tech upgrade to bring it into 2015.

It has seen three different generations since it was first launched 20 years ago, the latest of which was introduced in 2006.

But with new technology features, and a revamped interior, the American-made people carrier is being brought back up to date.

One key feature to the new design is that interior noise levels have been reduced through changing materials inside the roof and with acoustic glass.

The Ford Galaxy will also have heated a steering wheel and improved heating and air conditioning system.

With a refurbished interior, the car will include a sculpted centre console and a wrap-around dashboard that flows into the front doors.

Detailing and finishing options include aluminium, charcoal metallic, and high-gloss or silk black.

Interior space is also one to watch for buyers considering a new family car.

Ford of Europe's vice-president of marketing, Roelant de Waard, said: "Families across Europe have grown up with the Galaxy.

REVIEW: The new Ford Galaxy

By **James Richings**

"Customers are reassured by its ability to carry seven in first-class comfort and safety, and to surprise with its unmatched versatility.

"The all-new Galaxy enhances those qualities with improved dynamics, fuel efficiency and refinement – as well as useful innovations."

With space for seven, Ford engineers were tasked with finding more room all round.

Second row passengers will have up to 10mm extra, while the third row will have up to 40mm more headroom.

Passengers can also store 1.5-litre drink bottles in door bins, and under-seat storage which can provide easy access for everything from laptop computers to books or snacks.

More storage is available in the instru-

ment panel top and a media storage area for mobile phones and various other devices.

Parents will also have a standard child-watch mirror, positioned for a wide-angle view of passenger seats.

Chief programme engineer for Ford Galaxy, Andrew Kernahan, added: "Galaxy has always been a car designed around the needs of seven, and our all-new Galaxy takes this

philosophy to even greater heights with every occupant benefiting from outstanding levels of comfort and refinement."

Prices start from £27,595.

Driver and Vehicle
Licensing Agency

End of the road for your vehicle?

Responsible drivers scrap their vehicles at an Authorised Treatment Facility (ATF).

Because only an ATF can legally scrap a vehicle.

That means any pollutants will be made safe before it's recycled in an environmentally friendly way.

What's more, for certain types of vehicle you'll get a DVLA approved Certificate of Destruction (CoD). A CoD proves the ATF has told DVLA your vehicle has been scrapped and is no longer your responsibility. www.direct.gov.uk/motoring

Supported Living Workers

Newbury, Full + Part-time positions considered
£15,251 pa pro rata (£7.82 ph) rising to £16,098 pa pro rata
(£8.26 ph) on successful completion of probation period and NVQ
Level/Diploma in Health & Social Care qualifications

Hft is a national charity committed to ensuring that people with learning disabilities have the support they need to enjoy the opportunities that life offers. At our service in Newbury we currently have vacancies for Supported Living Workers.

"We are four sporty men with learning disabilities, who need support in day-to-day activities. We love going to the gym, swimming, playing tennis, spending time at the driving range and going to football matches and need someone to support and encourage us with this as well as other aspects of our lives. We respond well to people who are friendly, patient, self-motivated and enthusiastic as we sometimes need a little guidance and encouragement to do these things. If you feel that you are the right person for the job, please apply."

You must be able to work a flexible shift system that may include split-shifts, evenings, weekends, Bank holidays, weekends and sleep-in duties. You must hold a full UK or EU driver licence and meet Hft's driver requirements criteria and be prepared to drive a company vehicle.

For an informal discussion please call Emma Thomson 07836 616410.

For an application pack, please call 01235 827605 (9am - 3pm, Mon - Fri) or apply online at www.hft.org.uk and go to the jobs section or email your details to jobs@hft.org.uk

Closing date: Friday, 31st July 2015.

Successful applicants will be required to undertake an enhanced check for regulated activity through the Disclosure & Barring Service. However a criminal record may not necessarily bar you from employment. Hft is committed to equal opportunities and welcomes applications from all sections of the community.

Thankachan is the man for Bountymen

Collard hails "brilliant day" at Croft

BRITISH Touring Car Championship (BTCC) driver Rob Collard has praised his team after West Surrey Racing (WSR) sealed a hat-trick of wins on Saturday.

The experienced racer won race three at the Croft Circuit after teammates Andy Priaulx and Sam Tordoff had each earlier topped the podium.

Collard's battle with Honda Yuasa Racing's Gordon Shedden provided some of the standout moments of the weekend, with an expert move by the Hook-based driver on lap 11 securing the win.

He said: "Gordon put me under a lot of pressure at the start so I let him go and gambled that his tyres would go off."

"Thankfully it worked and everything went to plan."

One of the highlights of the weekend came in race one, where WSR became the first squad in six years to secure a 1-2-3 finish.

And after predicting a top performance from his car prior to the meeting in North Yorkshire, Collard was full of praise for his team, after watching this dominance come to life.

He said: "This is such a great team and an amazing group of people, so to score three wins in a day is just incredible."

"They work so hard to produce such a good car and we can't always show that, but today is for all the work everyone at WSR has put in."

"It's just been a brilliant day for all three of us."

Collard and co will now have to wait over five weeks for the next round of races, with the BTCC set to next meet up at Snetterton on August 8.

BASINGSTOKE and North Hants returned to winning ways on Saturday after an extraordinary spell of spin bowling left Calmore Sports feeling dizzy.

The Bountymen's 77-run victory was clinched in no small part thanks to the fantastic form of off-spinner Matthew Thankachan - who claimed seven wickets for a loss of just six runs.

Calmore had no answer to the Basingstoke spin bowler as he tore through the home side's batting order in his 7.3 overs, ensuring that they didn't come close to breaching the visitor's tally of 202 runs.

Park, with the visitors winning the toss and electing to bat first. Another issue that has haunted the Bountymen's Southern League Division One hopes this campaign has been their form with the bat.

And captain Chris Froud (24) initially looked to be addressing that particular problem at the Southampton ground as he made a confident start.

Froud soon found himself back in the pavilion however, as the old inconsistencies returned, with Steve Bucksey (23) and Mitch Stokes (27) then joining him after also seeing promising starts falter at the hands of Calmore's

James Rose (2-16).

The bowling of Mike West (3-48) then looked to have put Basingstoke in a very difficult position on 131-7, before a pair of stellar knocks from Chris Chandler (38) and Bradley Neal (31) at the foot of the order helped drag the visitors to a final score of 202-9.

This target looked to be in trouble at the start of the home side's reply though, as opener Mark Lavelle's 25 saw the league's bottom club race to 38 without loss. Lavelle was eventually run out by Neal, before Darren Vann and James Rose then added 22 and 19 runs respectively to help Calmore to 102-3.

Both quickly became Thankachan's first victims of the innings however as Basingstoke started to get a tighter grip on the tie.

Callum Holloway was then caught and bowled by the off-spinner for one, with West and Paul Proudley both soon following him for the loss of a single run between them.

After putting in such a devastating display, it was only right that Thankachan was the man to seal the tie, and he duly did so by claiming the wicket of Steve Wright.

Victory saw the Bountymen retain third spot in the table, ahead of this Saturday's trip to local north Hampshire rivals Hartley Wintney.

Cricket wins

CRICKET: Hook and Newnham Basics and Hartley Wintney both won on Saturday, with Hook's victory cementing their place at the top of the Southern Division One table.

Opening batsman Kieran Thomson helped Hook to a 37-run win over Totton and Eling after claiming an imperious 157 run knock off just 111 balls to leave the hosts on 333-9 at the close of their innings.

Totton batsman Tom Arnold claimed an unbeaten 129 as he led a valiant attempt to chase down the tally, with the visitors running out of time as they reached the 50 over mark on 296-5.

Hartley Wintney also starred with the bat at the other end of the table, as a supreme opening partnership of 204 from Aaron Wivell (116) and Jack Hersh (80) saw their side claim a seven wicket victory over Andover with just 11 balls remaining.

In another fantastic display of batting, Andover set a tough target of 272, with Max Soufer top scoring with 63, before the home side responded with a score of 276-3 to win the tie and move away from the relegation zone.

First matches

FOOTBALL: Basingstoke Town will play their first pre-season match in just under two weeks ahead of the new Conference South season.

The Dragons will host League Two side AFC Wimbledon at the Soccer AM Stadium on Tuesday, July 14, before welcoming Reading from the Championship four days later for another friendly.

Town will also test themselves against last year's beaten League 2 play-off finalists Wycombe Wanderers and Aldershot Town from the Vanarama Conference at home later this month.

Misses the cut

GOLF: Basingstoke golfer Stuart Archibald suffered a tournament to forget last week as he failed to make the cut at the Paul Lawrie Foundation Granite City Classic.

The Aberdeen-based competition was the fourth Euro Pro Tour cut the 31-year-old has missed this season.

Archibald shot rounds of 69 and 75 to finish with an even score and exit the tournament early on the Thursday.

COLLARD CONQUERS CROFT WITH WIN

Second victory of 2015 for BTCC ace

ROB Collard had a weekend to remember as he won his second race of the season to end a perfect fifth round of the British Touring Car Championships for his team.

The Hook-based racing driver won the third race at Croft on Sunday to seal an historic hat-trick of victories for his West Surrey Racing (WSR) team, following victories for teammates Sam Tordoff and Andy Priaulx in races one and two.

Collard's win in race three capped off a superb weekend for him personally, after he finished third and sixth in the opening two races to take home a massive haul of 45 points from the North Yorkshire track.

The 46-year-old had predicted beforehand that he would show his best form at the Croft Circuit, following a miserable display at Oulton Park three weeks earlier.

And Collard lived up to his promise during qualifying on Saturday as he finished with the fourth fastest time - with

only Honda Yuasa Racing's Gordon Shedden preventing a WSR 1-2-3.

But after making a rapid start off the grid, the experienced driver quickly passed the Honda before the first corner to move up to third place.

A short-lived period of rain forced a mistake from pole setter Tordoff to allow Priaulx to nip past him for the win, while Collard managed to see off the threat of Shedden to seal an all-WSR podium - the first time a team had achieved the feat in six years.

Race two would provide a different type of challenge for the Hook driver though, as he became embroiled in a four-car battle for fifth place.

Collard was eventually overtaken by Shedden on lap 11, with the long scrap with his rival seeing his challenge for

the podium dwindle away, as he held on for sixth spot - just under 8.5 seconds behind winner Tordoff.

The Honda Civic Type R of Shedden looked like it would stand in Collard's way yet again in race three after he took the lead in the opening lap.

But Collard got the better of his rival this time around on lap 12 as he made a move on the long right hander approaching the chicane to force his way back into the lead.

And that's the way it stayed come the chequered flag as Collard created a seven second gap from the trailing pack to top the podium and move up to eighth position in the championship standings on 127 points.
